CHAPTER 1

1. Overview & terms

All lengths in stock, packaging and terms of delivery at a glance.

Type A and type S are stocked in five overall lengths each at the Miastko European warehouse. We deliver in full boxes, from a single box. The unit price falls with every additional box until the pallet price applies to a full pallet. The tables in chapters 2 and 3 show the unit price and the total for every number of boxes.

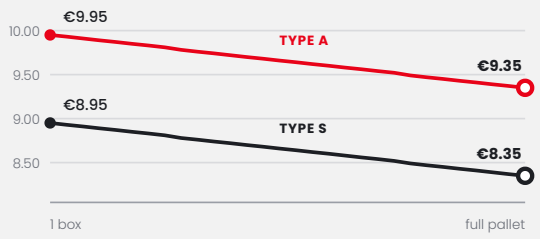
Terms of delivery

- All prices net in euro, EXW warehouse Miastko (Poland), plus freight and statutory VAT.
- Delivery in full boxes, from one box. The pallet price applies to a full pallet.
- Spears ex stock: ready for dispatch 24 to 72 hours after receipt of payment.
- Freight is charged separately, or you book your own forwarder.
- Intra-community deliveries with a valid VAT ID.

How to read the scale



The entry price applies from one box. With every additional box the unit price falls evenly until the best price is reached with a full pallet. Total = number of pieces × unit price.
